Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and

- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this Information Collection:

- (1) Type of Information Collection Request: Extension, Without Change, of a Currently Approved Collection.
- (2) Title of the Form/Collection: USCIS Identity and Credentialing Access Management (ICAM) and USCIS Electronic Immigration System (USCIS ELIS).
- (3) Agency form number, if any, and the applicable component of the DHS sponsoring the collection: No Form; USCIS.
- (4) Affected public who will be asked or required to respond, as well as a brief abstract:
Primary: Individuals or households. USCIS ICAM will allow the public to create an account with USCIS and then return as a registered user to complete forms or to interact in other ways that become available to the user. The USCIS ELIS is a system that the user can enter either through the USCIS ICAM account, or for a select limited number of forms, create an account directly in USCIS ELIS and then complete an electronic version of certain USCIS forms.
- (5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: The estimated total number of respondents for the information collection is 1,220,504 and the estimated hour burden per response is .167 hours.

- (6) An estimate of the total public burden (in hours) associated with the collection: The total estimated annual hour burden associated with this collection is 203,824 hours.
